| <p>AA  indeed.com</p> <p>Contact Tracer Government Spy WellSpan Health - York, PA 17403</p> | <p>Job Insights</p> <p>York/Lancaster, PA. Upon completion of training, the position will be conducted remotely</p> <p>Turning In Friends, Family & Neighbors</p> <p>Job Description: <i>& Neighbors</i></p> <p>Under general supervision, conducts COVID-19 contact tracing in communities across Southcentral PA. The position focus will be to call close contacts of every person diagnosed with COVID-19 and maintain ongoing communication with every contact. In addition, the team will support the isolation and quarantine of individuals, as appropriate in cooperation with state and local partner organizations. This includes virtual needs checks and referral to community resources as needed. This contact tracing initiative is in tandem with statewide-wide efforts to increase testing, improve communication and knowledge of effective strategies to reduce transmission, and implementation of isolation and quarantine.</p> <p>JUST DOING YOUR JOB?</p> | <p>AA  indeed.com</p> <p>Contact Tracer Government Spy WellSpan Health - York, PA 17403</p> |
